

Structure

Structure (After Testing with Target Users)

Users can return to the homepage by clicking on the website's logo on the top toolbar on the left corner.

The hamburger menu on the top right of the Homepage will drop down and allow the user to see key bindings, contact the creators of the site and change preferences.

The little box in the bottom left corner of the homepage, when clicked will show a pop-up with information about how to use the drawing tools available as well as what can be done in "Front View" and "Layer View". This pop-up can be closed by clicking the small "X" at the top right.

Users can view their layers as a parallax effect by using the "Hand tool" to move around the canvas in the front view.

Users can see their layers in 3-D by switching to "Layer View".
